

PRESENTS

From Confusion To Clarity:

Understanding Psychological & Neuropsychological Testing

If your child.. ..

- ◆ Has received psychoeducational or neuropsychological testing privately or as part of an IEP (school testing)
- ◆ Experiences difficulties with attention, concentration, memory
- ◆ Academically performs below grade level, OR
- ◆ Takes longer to complete classwork, homework, timed tests

... ..and you wonder... ..

What does it mean ?

How can I help them at home ?

Do they have ADHD ?

Do they have a learning disability ?

Is there something wrong ?

Is their learning style a different match from their teacher's instruction style ?

Join us for a brief presentation & plenty of time for discussion & questions!

Prefer to speak privately? We are offering FREE 30 minute consultations from 2pm-5pm the same day!

RSVP, space is limited
